

Issued in the Year of the Reversed Ptarmigan

In shades of khaki, peach, green and black on a pale khaki background, illustrating the many unusual ways that Discworld scouts amuse themselves, and giving a whole new meaning to 'Bob-a-Job'.

Each of the stamps is different and should be treated as an individual stamp. However the stamps all appear on the same sheet. So I decided they should be treated as variants of each other.

All that said there is also a true Sport in the pack.
