# **JUST ABOUT EVERYTHING FOR THE DISCWORD READER, INCLUDING OCCASIONALLY THE AUTHOR HIMSELF.**

We make,

Puppets, Architecture, Sculptured Plates,  
Plaques, Door Signs, Strange Objects,  
Discworld Devices, and THUD pieces.

We sell,

Books, Prints from Mr Kidby,  
Discworld Jewellery THUD games & Boards.

There is the occasional oddity from MOT  
Briggs, Books, Maps, Plays, Isis Tapes,  
Wizards Sticks, with knob attached, Pictures,  
Badges, & Stuff.

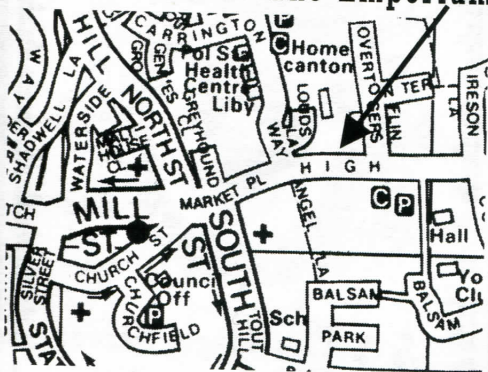

That's just the Discworld, there are other strange  
and interesting objet d' art, plus things to draw  
with, litter your home, and generally add to your  
burden of possessions.

But please remember,

nothing we make or sell is in any way useful,  
essential to life, or particularly cheap.

It may in fact contain nuts, however we do offer  
tick.
