*Our representative will be pleased to call
and please remember:*

AN IGOR IS ALWAYS WILLING TO LEND A HAND

I hereby declare that in the event of my physical termination either through natural causes, accident, trauma, crime or the vagarists of fate (*see note 1 below*) any such body part, or parts (*see note 2 below*) can be removed by any representative or agent of the IGOR Assurance C^o as soon as all visible signs of life are apparently absent.

I further declare that the disposal of said body parts or part may be disposed of as the IGOR Assurance C^o see fit.

I understand that should such body or body parts be rendered unsuitable for re-allocation due to trauma, decomposition, or difficulty of access, then such residue cadaver or body parts shall remain my responsibility or the responsibility of such heirs, religious organisations or friendly societies or burial clubs that I have nominated, subject to any contractual obligation on behalf of the IGOR Assurance C^o

Signed: Dated:

1. Not including any Act or Acts of God, Gods, or Deity/s aimed specifically at the policyholder by reason of:

1a - Any fatwaha, curse, or failure on the part of the policy holder to adhere to the tenets, customs & teachings of said God, Gods, or Deities.

1b - The specific desire of any Gods or Deities to Smite the policy holder as a result of some definite heretical act: viz the theft of fire or despoiling of religious property or persons.

1c - Any act of war, revolution or insurrection in which the policyholder plays an active part by reason of inclusion or exclusion and/or places themselves in such a location that is inherently subject to wars, revolutions and periodical insurrections.

2 - In accordance with the contractual obligations entered into between the policyholder and the IGOR ASSURANCE Co and their respective successors.
